List of Stakeholder Groups and Engagement Topics

TD is committed to proactive stakeholder engagement that enables us to have ongoing dialogue with many industry associations, environmental non-governmental groups, and Indigenous and community groups. Our interactions with these stakeholders influence our internal policies and practices (including our guidelines on responsible lending, our sustainable investing approach, our community focus, and our operations). Here is a representative selection of organizations and discussion topics that we have engaged in over the past year.

Opganization Opport Area Notes on Engagement Alliance for Community Trees Urban Forestry ACTrees is one of the organizations that helps administer TD Tree Days in the U.S. The abor recently funded a Tree Care grant program for ACTrees members to support structural pruning and maintenance programs.
